

2012 Klassen – Big Mouth Chardonnay

We think the Chardonnay grown on the Shaw Ranch in Murphy's California has all of the great characteristics of this noble grape and does not need a heavy handed approach with wood, making it a perfect accompaniment for any celebration. Klassen Big Mouth Chardonnay has limited production and sleek packaging and labeling. It maintains an elegant flavor and aromas of pear and fresh cut apples.

VINTAGE 2012

BLEND 100% Chardonnay
